

STONEGATE MONTHLY ADMAIL & RESIDENTIAL CLASSIFIEDS

April 2021

Welcome to Stonegate Admail. Stonegate Admail accepts ads from residents as well as local businesses. The Community Association does not endorse any business; however, it does conduct business with many of these vendors, which are listed as a “Stonegate Vendor.”

Wish your business had been included in this AdMail? It can be, next month. Stonegate Monthly AdMail reaches Stonegate residents at a much lower cost than direct mail, giving longer term advertisers a sustained presence and identity in our community of 916 homes. Stonegate residents advertising their own business receive a discounted advertising rate. Advertising rate information and applications are available at the community center or online at www.stonegate-scottsdale.com. Choose the Community Association page to find the Carousel Forms link.

HomeWatch Neighbor

We take care of your home when you're not around ...

Hiring HomeWatch Neighbor to monitor your home when you are away for extended periods of time will give you peace of mind. Professionally trained, bonded and insured, Jeff Stack will monitor your property and report findings via his online reporting system.

What will HomeWatch Neighbor do to take care of your home?

- Turn on the water and cycle the water in all toilets, sinks, showers and tubs. This keeps the P-traps full, preventing sewer odor and pest infestation. The washing machine and dish washer will be run through the rinse cycle. This keeps the motors lubricated and reduces the risk of O-rings drying out.
- Turn the AC on to ensure it is functioning properly.
- Check the interior and exterior for any signs of pest infestation or any signs of attempted break-ins.
- Jeff can be scheduled either weekly, bi-monthly (2 times per month) or tri-monthly (3 times per month). Some insurance companies may deny claims for homes they deem as vacant. They may define a home as vacant after just 14 days! Contact your insurance company for the details of your policy.
- Following each visit, you will receive a report from Jeff. Documentation is vital when it comes to potential insurance claims.

Concierge Services

- Stock refrigerator
- Stock pantry
- Set up patio furniture
- Receive automobiles sent to AZ
- Put away patio furniture
- Forward mail
- Car drive services
- Add salt to water softener
- Change AC air filter

"My husband and I recently purchased a vacation home in Fountain Hills, Arizona. We quickly realized help was necessary as it would stand empty for long periods of time. Jeff and his HomeWatch Neighbor company were recommended to us by our realtor. After meeting with Jeff and checking references, our comfort and trust level was high. Working with Jeff has been such a pleasure. In addition to an extensive checklist he completes every other week at our house, there have been many out of the box situations he has just handled for us. Furniture deliveries, arranging house cleanings, getting bids on pest control companies and executing their services, opening and closing up the house for us...to name a few. Jeff is a "go getter", takes initiative, is trustworthy and a kind person. We highly recommend working with him."
