I provide exemplary service to buyers interested in becoming a part of the Scottsdale community and those who are going through the "selling process." Whether you are relocating from another state, purchasing a second home or investment property, or just looking to move your family to a new home, I am committed to making your experience a positive one.

Born and raised in Carmel, Indiana, I am Midwestern at heart, but after spending many years in Scottsdale, Arizona this is home! I attended Purdue University for my undergraduate degree and received my M.B.A. from Indiana University. After working as a business consultant for Deloitte Consulting in Chicago and New York City, my husband and I decided to relocate to Scottsdale to be near family and friends. Since 2005, I have been enjoying a successful career in real estate with Realty Executives. I have lived in Stonegate with my husband and daughters since 2001...I believe that it has been the perfect place to raise my family.

Testimonials from past clients

Long before we were ready to sell our house, our previous neighbors told us how happy they were with their realtor. So, needless to say, we contacted them and got her name...Christy Mooney. On her first visit, walk thru and sit down, we had no doubt she was our girl. Smart, knowledgeable and professional, she knew the area and the market. She was very astute in helping us determine the right selling price for our house. We did not want a lot of unnecessary traffic and the house sold much faster than even we anticipated. We were extremely comfortable that she always had our best interests and outcomes in mind as she represented us. Christy was there assisting and guiding us every step of the way from the sales contract thru escrow and helping us find our new home. She kept us well informed throughout the process and was very timely and responsive. Her list of contacts was invaluable...from inspectors, handy men, cleaning services, movers and even consignment (we downsized)! There were no problems...only solutions! Even though she was extremely professional, we felt like we made a new friend. I have already recommended her to friends and will continue to espouse her virtues to anyone who will listen!

Admittedly, I am not one to write reviews and often keep the information to myself. However, in this case I needed to share. Christy has now represented our family in over 5 transactions over the years. Her professionalism, demeanor, knowledge of the market and responsiveness are top notch. Christy works pro-actively as a realtor, which is very refreshing. She worked hard to get the word out on the sale of our home over two weeks prior to ensure our traffic was strong. This effort paid off as the house was sold in 5 days! If you are looking for a great AZ realtor...look no more. I promise you will not be disappointed.

Christy helped my husband and I to first rent our home in 2010 when the real estate market was depressed and then two years later to sell our home for top dollar in our neighborhood. She was incredibly knowledgeable about the local market and offered great advice as we negotiated both the rental contract and sales contract. Christy is a very pleasant person to work with!

Testimonials from past clients

I can't say enough about my experience with Christy. As a first-time home seller and buyer, as a single woman, I was unfamiliar with all of the intricate details of the selling and buying process. Christy was extremely patient with me helping me to understand my options so that I could make informed decisions. Christy first helped me sell my home by providing me with a very comprehensive plan to achieve my selling goals. Christy then stepped in to help me purchase a new home and again with the utmost patience, professionalism, knowledge, integrity and responsiveness that she demonstrated during the selling process, we found and I bought my new home. Realtors are a dime a dozen, but not ones that will dedicate 100% of their time and effort to help you accomplish your real estate dreams. Christy earns 5++++++ stars from me, she will from you too.

We have bought and sold 8 homes over the years and Christy is easily the best realty agent that we have worked with. She has excellent knowledge of the Scottsdale market and throughout the buying and closing process we always felt that she had our best interests in mind. She communicates well, stays on-top of things, and is willing to do whatever it takes to seal the deal. I would recommend Christy without hesitation

*Mike Hall, Windcrest*

Christy sold our home and helped us through the purchase of our new home. Christy was wonderful to work with and we would highly recommend her for your real estate needs.. She is very personable and knowledgeable about the local market. Should we have the need to enter the real estate market again our first call will be to Christy and we would highly recommend her to any of our friends or family.
