

# YOUR STONEGATE PREFERRED REALTORS

## Jodi & Mitchell Geiger

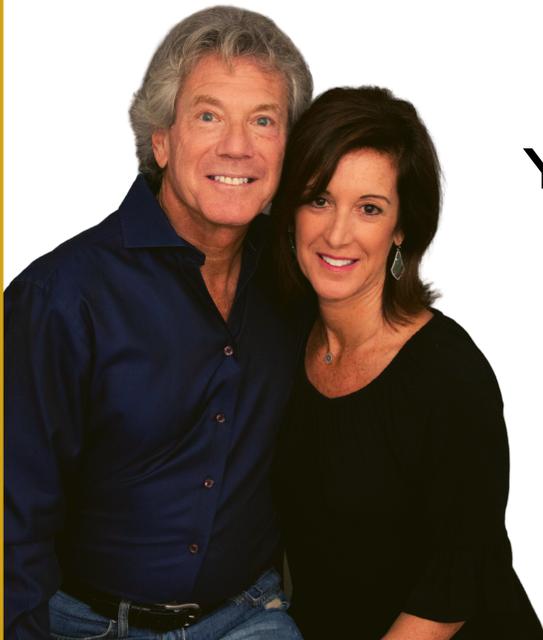

Jodi and Mitchell Geiger are Stonegate residents who love our community. They are the dream team with decades of experiences in every type of real estate market. Always active in the Stonegate community with involvement with the Property Enhancement Committee (2015), and the Recreation Committee (2021-22). When they are not servicing clients, you will find Jodi and Mitchell walking through our neighborhood, swimming at the pool or playing tennis or pickleball with neighbors and friends. Below, see what clients have shared about Jodi and Mitchell.

*If you are looking for two top-notch realtors for either the sale or purchase of a home, look no further than the "dynamic duo" of Jodi and Mitchell Geiger. As local residents within our community, my wife and I immediately knew we found the individuals for the sale of our place. Both Jodi and Mitchell immediately made us feel comfortable, taking time assessing and pricing our home appropriately. Understanding the ever fluctuating housing market conditions was one of the factors for choosing them, however, their knowledge, professionalism, diligence, and most of all patience is what sold us on their services. Aside from selling our home, they took an ample amount of time helping find our new residence (recall my previous mention of patience). My wife and I have already referred Jodi and Mitchell to friends and family. We will never use anyone else. Why not make them yours?*

*Jodi and Mitchell Geiger are realtors who are dedicated to the seller's to obtain the optimum price for the seller's house. They do not hesitate to help the seller beyond the realm of their responsibilities. They are easy and a joy to work with. We recommend them very highly.*
