ROBIN FINK

I have been selling real estate in Scottsdale for over 20 years. Originally from Minnesota and North Dakota, I relocated to Arizona in 2004 and never looked back. Having lived in Stonegate for 20 years, I love the community and have been a Stonegate Preferred Realtor for many years. I am blessed to have my children and three grandchildren residing in Scottsdale, and I'm enjoying the perfect combination of work and family.

I love my job and enjoy helping both buyers and sellers achieve their dreams and goals. My goal is to always make the process of buying or selling a home as seamless and stress-free as possible.

I work with trustworthy and reliable vendors such as lenders, title companies, and tradespeople and am committed to making the entire experience of buying or selling a home a positive one. I believe the relationship between a homebuyer or seller and their agent is based on trust, shared goals, and understanding. in order to develop this relationship with each one of my clients, I listen to their needs and wants and pay attention to every detail with determination, professionalism, and a smile!

Whether you're thinking of buying or selling, give me a call today!

Thank you!
